Subject: Non payment of Leave encashment—case of Durgapur.

Sir,

I am constrained to draw your kind attention to the following few lines on the subject mentioned above.

It came to the notice of this Circle Union that the retired officials attached to Durgapur are not getting their leave encashment amount after their superannuation since January, 2020. You will surely aware of the fact that the local Administrations in different SSAs are paying the leave encashment to the tune of 80%-100% on the date of the retirement. But the Durgapur administration has taken a decision to make the payment of leave encashment amount only after getting service book of the superannuated employee from the CCA Office Kolkata. Naturally it causes some delay to get leave encashment payment which results financial loss to the retired official.

Hope, you will intervene in the matter and certainly issue some instructions to the field officers particularly in Durgapur so that the retired employees can get their leave encashment without any delay.

Thanking you,

Yours faithfully,

(Animesh Mitra)
